Table 5-3	House Staff Based in District Offices,
	1970 - 2016

n.a. = not available		
Note: The totals reflect		
the number of full-time		
paid employees.		

The source material for tables 5-3 and 5-4 is different than the material used for, and therefore should not be compared against, 5-1, 5-2, 5-5, 5-6, and 5-7.

Some data from previous versions of Vital Statistics have been updated. See errata for more detail.

Previous Update Sources: Congressional Staff Directory, CQ Press, and Statement of Disbursements of the House, various editions.

Most Recent Update Source: For 2010 through 2016, district-based staff were calculated based on staffs listed in the House telephone directory, published annually.
